# **HUGHES ROUSES BIG** QUAKER CITY CROWD

Tells Just What He'd Do in Mexican and European Crises.

HARD RAPS FOR WILSON

Honor, He Says, Referring to Border Murders.

the Metropolitan Opera House were events the lives and property of Amerifairly lifted from their seats when he ! slammed and slammed and slammed. and in the midst of it all somebody raised an excited screech: "By George, he's certainly batting 350 this night."

The sum and substance of his bilstering attack against Wilsoniam was that Wilson has sacrificed the honor of the United States for nothing, least of all preservation of peace. He pointed tico as revealing a Wilsonian of intermittent war without a Mexico as revealing a Wilsoman record of intermittent war without lonor and intermitten peace without bonor, and all to encourage revolution. If pointed to the sinking of the Lusi-tania as an evidence of how rapidly notional disgrace follows Presidential. weakness. He pointed to the inter-ference with American mails and the interruption of legitimate American com-merce as proofs of the inevitable out-come of executive vacillation and flabbi-

made his own position so clear He made his own position so clear that the audience sprang up with wild yells of delight and approval. If he had been President there would have been no lack of convincingness in his warning that the murder of American chizens would mean that the murderers would be held to strict accountability and that tone, he felt certain, would have prevented the sinking of the Lusitania.

### Makes Definite Promises.

commerce, any more than there will be unpunished sea or land murders. He did not mention the name of Germany and he did not mention the name of Germany and he did not mention the name of many classes of Pederal employees to eight hours. He showed that suggested into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the campaign, or rather of the possibility of a new issue being indicated into the possibility of a new issue being in the possibility believe, the train was helping the possibil interests of the United States against

There was a punch in that speech tenight; a quality about it which has not been frequently revealed in the Hughes addresses. Obviously the man is warning up as the campaign goes on temendously intent that no class or nationality shall be in the slightest doubt as to the brand of his Americanism. Since the campaign began there has never the campaign began the campaign the campaign began the campaign th there has never been such a response of

tion, heckling, rouses the combative spirit in him and sends him full till against the hectorers and hecklers. They desire to make two speeches in the Democrate planted in a high gallery—and Highes turned on them first with a swift fest and then with a sharp defence of his course in the Landau Harder's decision against Gompers.

This came on top of his contemptuous discussion of Mr. Wilson's course in the Lustania matter. The gallery voice loud, insistent, none too courteous, broke in upon his flow of argument with the old ery so favored by hacklers through-out the country:

AREGISTER FIRST DAY

desire to make two speeches in the Southwest. The Colonel will not go into the Northwest new unless he sauddenly changes his plants.

Mr. Willcox said that Ohio was calling for Rooseveit and so was Nebraska, as well as other States.

Word was received here that members of the advisory committee, naceting in Chicago yesterday, had expressed substituted with the outlook in the Western States. Frank H. Hitchcook, William L. ward, ex-Secretary of Agriculture Wilson's Course in the Dambury of the first of the six days of the Southwest. The Colonel will not go into the Northwest new unless he southers have changed his content of the Northwest new unless he southwest. The Colonel will not go into the Northwest new unless he southers have changes his plants.

Mr. Willcox said that Ohio was calling for Rooseveit and so was Nebraska, as well as other States.

Word was received here that members of the advisory committee, naceting in Chicago yesterday, had expressed substituted with the outlook in the Northwest new unless he southers to make two apecches. How about the Danbury hatters, Mr.

## Answered the Heckler.

"Oh, put him out! Chuck him out! He's a nulsance," came from the gallery, mass, but Mr. Hughes walked to the

"I stand here to say that as a Judge or if elected President of this land I shall enforce the laws of the land. It is the tusiness of a Judge to enforce the law.

evidently was not only the importance of Mr. Hughes's address, but the manner with which he delivered—fired it. They saw for themselves that there was nothing cold or hesitating or evasive about the Republican candidate. Another thing stood out—the complete harmony of Old Guard Republicans and Rooseveltian Progressives. They mixed their cheers tence but with complete unanimity.

## Met by Notable Committee.

Hughes's special train arrived in Trenton its way here. At Trenton was a however. special reception committee from Penn's, Woods: John Wanamaker, Philander C. Knox, President John Gribbel of the Union League Club. Senator George T. Oliver, Boles Penrose among them, and they climbed aboard waving flags and opitimism. At the Broad street station a crowd of 19,000 saluted Mr. Hughes. and all the way out to the opera house, at Broad and Locust streets, the sidewalks were massed with as friendly a crowd as Mr. Hughes ever inspected in his life. It was a real old time Philadel-

his life. It was a real old time Philadelphila Republican rally, a raily with the
spirit of the McKinley campaign of 1896.
The opera house was jammed an hour
before Mr. Hughes got there. Another
hall the size of the Metropolitan could
have been used for the overflow crowd.
After the speech Mr. Hughes was the
guest of the Union League Club at a reception. Its special train will leave
Philadelphia to-morrow morning at 10.
He will speak in Hagerstown, Md., tomorrow afternoon and in Baltimore tomorrow night.

morrow night.

In his speech Mr. Hughes said in part:

We all desire peace, but we desire committee, when asked what he purposed doing, said. "I shall certainly enroll as a Progressive."

PHILADELPHIA. Oct. 3.—Positive doing, said. "I shall certainly enroll as a Progressive."

honor.

"You may desire revolution, you may be willing that anarchy shall prevail, you may be willing to see American citizens murdered and the property of American citizens destroyed without any effective efforts to protect them, you may be willing to allow unspeakable atrocities, you may be willing to intervane by force of arms spasmodically and ineffectually, but do not call this policy of the Administration a policy of peace.

Mexico were slain with American bul-lets. The Administration intervened in Mexico to pursue and punish a bandit whom formerly the Administration had petied and assisted. We sent our armed forces hundreds of miles into Mexico. Has America forgotten Carrizal? What

was that? Peace or war?

"When again our territory was raided and we summoned the entire National Guard, recruited to war strength, thus sending a host of raw recruits to the border, was it a condition of peace? Read the opinion of the Judge Advocate-time and of the strength of the str General of the Army that this could only be regarded as a condition of war. We have not been kept out of war. We have not been kept out of war. We have had intermittent peace without honor and intermittent war without honor.

present Administration handi-Not Even Peace Without capped itself by its own blunders. It bred a fatal distrust which its professions have been unable to remove. We must have a return to correct standards and to the party whose diplomacy has enforced them. We cannot say now in what particular sort of a mesa we shall find things in March next, but this much Philadelphia, Oct. 9.—There's no other way to put it—Charles E. Hughes went after Woodrow Wilson here in Philadelphia to-night with Hooseveltian in thiladelphia to-night with Hooseveltian in the property of the rights of other States, but shall observe them: and further, that at all

He denounced the attempt to make the bill appear as an eight hour measure approved by the judgment of society' "approved by the judgment of society" as "a shameless perversion" and called the "capitulation of the Administration" the "worst thing that has happened in this country in many a day." He declared that the principle of arbitration had been befrayed and that the act was "a serious blow to labor."

Mr. Hughes arrived here by automobile at 11:35 o'clock this morning. Drivens thereby the laboration of the property of the property

ing through the Bergen section the brake lining of the nominee's car, in which were also former Gov. Francis Murphy were also former Gov. Francis Murphy and two secret service men, took fire and sent forth a heavy cloud of black smoke. When the machine was stopped it was surrounded by an anxious crowd, but the nominee remained in his sent and the blaze was soon extinguished.

"I am not opposed to the principle If he is elected President (and this an eight hour work day, said Mr. promise rang out like the crack of a Hughes. "On the contrary, I favor it high power rifle) there will be no insudience left the great auditorium in hitherto the American Federation of could us to where he stood—four square Labor had not favored legislation limit-ing the life interests and the property ing nours or fixing wages, except in

Covernmental positions.

"The Administration itself was respon
